

North Kent Embroiderers

Our last meeting was a 'Summer Stitch Picnic' meeting with a chance to enjoy delicious cake and snacks including delicious homemade sausage rolls and fruit kebabs - thank you ladies!

This was an opportunity for some of our newer members to look at 'Betty's Book' which is a collection of beautiful embroidery samples produced by many ladies over many months. The book is dedicated to a former member. You can see a few examples here – you

may recognise the free machine embroidery piece from our website (see below). Some of us had managed to finish our Kawandi quilting which was the topic of last month's meeting.

This time we also had the chance to bring our own stitching to work on while we chatted to each other. It was interesting to see what everyone was working on, although to be honest

there was probably more chatting than stitching! Several of us had brought 'UFOs' (UnFinished Objects) – mostly embroidery - to work on. However, one member was doing some beautiful knitting for a small family member, whilst another was making waistcoats for a charity venture. The weather was extremely hot on this occasion so we welcomed the chance to sit in a pleasant environment doing activities that we all enjoyed.

If you or someone you know would maybe like to start a new hobby and to join our group or would just like to find out a bit more about us then please pay us a visit - look at

our website: <https://northkentembroiderers.co.uk/>
